

DRILLING TITLE OPINION

TO: Delaware Basin Resources, LP

FROM: T. Lindqvist, Attorney at Law, Lindqvist & Reyes PLLC

DATE: April 28, 2025

RE: Section 30, Block C-24, PSL Survey, Abstract No. 612, Loving County, Texas (640.00 acres)

A. Scope and Materials Examined

At your request, I have examined an abstract of title covering the captioned lands, comprising 63 numbered entries certified to March 31, 2025 by Trans-Pecos Abstract Co.. This opinion is limited to record title and is rendered for the sole use of the addressee.

B. Tract Ownership -- Mineral Estate

Tract 1 (the captioned lands). The mineral fee and executive right are owned by Mentone Minerals, Ltd., subject to a non-participating royalty interest (NPRI) of 1/8 of 8/8 held by the Henderson Family. Total net mineral acres: 640.00.

C. Schedule of Leases and Encumbrances

Lease 1: from the mineral owner to Delaware Basin Resources, LP, royalty 25% (1/4), yielding a net revenue interest to Lessee of 0.65625. Encumbrance: a deed of trust of record affecting the surface estate only, noted for information.

D. Comments

Comment 1: The 1987 probate of the Estate of A. Henderson did not include a recorded order admitting the will; heirship is presumed from the family settlement agreement at Book 412, Page 88.

Comment 2: A prior oil and gas lease appears expired by its own terms for lack of production, but no release of record was located.

E. Requirements

Requirement 1: Obtain and record a release of the expired lease referenced in Comment 2, or a stipulation of interest and non-development.

Requirement 2: Secure recorded affidavits of heirship for the Henderson interest before disbursing proceeds; suspend the corresponding decimal interest until cured.

Requirement 3: Confirm payment of ad valorem taxes for the current year; unpaid taxes constitute a first lien on the property.

Respectfully submitted,

T. Lindqvist, Attorney at Law, Lindqvist & Reyes PLLC
